SUBJECT: S. 854, the "Foreign Missions Act of 1982"

1. Please note the attached memorandum on S. 854. This Bill is very similar to S. 2866 of the 96th Congress, the "Diplomatic Reciprocity Act," which you commented on last year.

2. The major difference between the two proposals appears to be that the new Bill would create an Office of Foreign Missions within the Department of State, rather than establish the separate "Diplomatic Services Corporation" which was called for under S. 2866.

3. We did not see any problems with this legislation last year, and we have not discovered any problematical elements in the new Bill. We would, however, appreciate review of the proposal from your perspective.
